a note from leadership

Have you noticed that we “name” our annual reports? Each year, we come up with a single word that captures the essence of our year and highlights the dynamic that is pushing us to ever-greater impact. This year’s word? *Collaboration*. If you’re seeking to understand what made our fiscal year a historic success, look no further than collaboration.

In the past year, we’ve struck meaningful new partnerships with municipalities, corporate supporters, subcontractors, faith communities, nonprofits, and a host of other organizations. Each of these partnerships has moved us forward. Each has made us more effective. Each has increased our capacity to create change, to improve lives, and to build community. Simply put, many of the things we accomplished this year would not have happened were it not for these partners.

That is the essence of collaboration. It is more than just working together; it is working together to create something uniquely better than that which we can create alone. That is what our year was all about.

As always, we invite your review, scrutiny, and inquiries about the information contained in the following pages. Have a suggestion? Great– let’s collaborate!

In Gratitude,

year in review

Heart of Habitat | Our largest annual community fundraiser is Heart of Habitat, where attendees and partners raised over \$190,000! **1**

Upcoming expansion | We announced the Valencia Project, a ten-home development in South Lansing that will turn into a neighborhood of affordable Habitat housing

25th ReStore anniversary | We commemorated 25 years of excellence with our ReStore anniversary sale. Happy birthday to our ReStores!

Women Build | Women Build's 115 volunteers worked for 722 hours to rehabilitate a duplex with the help of The Peoples Church and Lansing Intentional Communities (LINC'S) **2**

First Ingham resident | Carly is the first resident of Ingham St. and is loving her affordable home. She will become a neighbor to two more future Habitat homeowners! **3**

Homebuyers matched | We matched new future homeowners to the second and third Ingham County Housing Trust Fund builds, as part of our first-ever dual build

Duplex renovation | Habitat Capital Region and The Peoples Church of East Lansing spent a year rehabilitating a duplex to serve as a home for participants of Lansing Intentional Communities **4**

New homeowners | Martha and Rebella now live in their new homes in the Eastfield Neighborhood, as a result of our partnership with University of Michigan Health - Sparrow **5**

homeownership program

Homeownership is partnership.

Affordable homeownership creates stability for families and strengthens the neighborhoods they live in. Habitat Capital Region supports homebuyers through construction, education, and partnerships that make long-term affordability possible.

This year, Carly, Martha and Rebellia moved into their new homes. We also completed the LINC duplex, which will offer improved independence to adults with disabilities.

Meanwhile, Mario and Minerva are witnessing the transformation of their home as it's built before their very eyes on Ingham St. In 2026, we look forward to completing both Ingham St. homes, as well as beginning the upcoming Valencia development.

"This has been amazing and such an exciting time. The house is being built so fast, organized, and well-constructed—with such an impressive turnaround. Teamwork and great workmanship from generous people, and we are so appreciative of the love.

— MINERVA, future Habitat Capital Region homeowner.

Accomplishments in fiscal year 2025

A group of about seven volunteers are working on a wooden frame structure, likely for a house. They are standing on a dirt ground, and the structure is made of vertical wooden studs. One person in the foreground is holding a long wooden plank. The background shows trees and a clear sky.

Accomplishments in fiscal year 2025

13 homes
repaired

\$224,667

invested in revitalization
through MI-HOPE funding

Expanded reach through
partnerships and volunteer support

repair program

Building up neighbors builds community.

Critical home repairs help homeowners remain safe, stable, and independent in their homes. In fiscal year 2025, Habitat Capital Region completed **13 critical home repairs**, enhancing the quality of life for homeowners across the region.

Through MI-HOPE grant funding, **\$224,667** was invested directly into completed repairs during the fiscal year.

The positive impact is immediate and tangible. "This has relieved practical and financial hardships in creating a healthy and safe home for my family," said Michelle, a home repair partner.

ramp program

Connecting our neighbors to their communities.

Accessibility ramps restore independence and dignity, allowing our neighbors the freedom to connect with the world around them whenever they choose.

This year, Habitat Capital Region built **27 accessibility ramps**, enabling neighbors to safely leave their homes and engage with their community.

27 ramps built

As of June 30, 2025, 949 ramps have been built since the program's inception

**Accomplishments in
fiscal year 2025**

1,471 volunteer hours

ReStore

Creating sustainability through shopping and donating.

Every donation, purchase, and volunteer hour at the ReStore supports Habitat's mission. Our ReStores divert hundreds of thousands of pounds of usable items from landfills, and provide access to affordable furniture and home improvement supplies.

This was our first full year of operation for the St. Johns ReStore, making us one of 4% of Habitat affiliates with three or more ReStores – expanding access to affordable housing goods to Clinton County residents.

Accomplishments in fiscal year 2025

\$605K generated for programs **3,976** volunteer hours

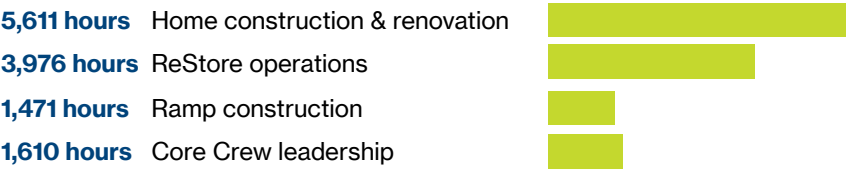

15,806
Total Volunteer
Hours

volunteers

Our neighbors build opportunity and community.

Volunteers are the backbone of Habitat Capital Region. This year, 559 volunteers came together to build ramps and affordable homes for neighbors who need them, and invested their time into building a world where everyone has a safe, decent, and affordable place to live. This year shows that volunteering with Habitat has a positive impact in all directions: volunteer engagement grew not only in participation, but in consistency and retention.

Returning volunteers increased by over **17%**, and **Core Crew membership grew by 25%**, strengthening Habitat's capacity across construction, ramp, and ReStore operations. Women Build 2025 alone accounted for 722 hours of volunteer work.

* Other support: 138 hours

2025 Heart of Habitat Gratitude Awardees

Heart of Habitat is a powerful event that enables us to raise funding for our next year of building and repairing homes. This year, Habitat Capital Region beat our whole-house goal by raising over \$190,000!

We also celebrated five volunteers for their selfless contributions:

Jane Johnson Lifetime Achievement Award
Sheri Jones

Tool Box Award
Myra Ostrander

Corporate Framework Award
University of Michigan Health–Sparrow

Incline Award
Alex Korovich

Sweat Equity Showcase Award
Carly Laverdiere

financials

Our commitment to stewardship.

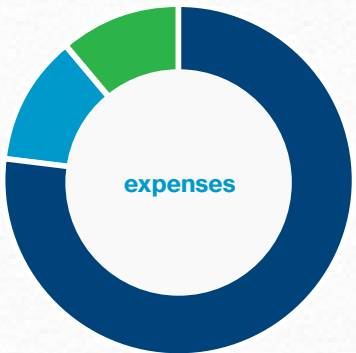

During fiscal year 2025, Habitat for Humanity Capital Region generated \$2.87 million in total revenue, supported by individual contributions, grants, ReStore sales, and donated goods. 82% of expenses were invested directly in program services, reflecting Habitat's commitment to mission-focused stewardship.

Total Financial Support by Source

- ReStore sales - 21%
- Grants - 19%
- Corporate and individual contributions - 20%
- Program income, home sales, interest & investment return - 16%
- Gift in Kind value - 24%

*Event income is reported under contributions

Investment of Your Financial Support

- Program services - 82%
- Fundraising - 8%
- Management and general - 10%

community of partners

Thank you to all who partner with us to build a world where everyone has a decent place to live. Habitat Capital Region's impact this year would not have been possible without you and your decision to invest in your neighbors and community.

growing collaboration in fiscal year 2026

- + We'll increase affordable housing stock in Lansing's south side with Phase I of the Valencia Project.
- + We'll invest in our Repair Program with generous grant funds from MI Neighborhood, keeping our neighbors in their homes.
- + We'll continue our commitment to sustainability, diverting more items from landfills through the ReStore operation.

ways you can get involved

- + Volunteer on a committee, house or ramp build, or at our ReStores.
- + Deepen your commitment to a stronger Capital Region when you set up a monthly gift.
- + Shop and donate gently-used items at the ReStores.
- + Get first access to our events when you sign up for our monthly e-newsletter.
